

## February | Family Prayer of Agreement

Father in the name of Jesus, we thank You that there is power in agreement and harmony. You promised that You would command the blessings on us when we agree and walk in unity, we agree with Your Word and Your will for our family. Thank You Father that You are making Your face to shine upon all our families and the favor of God is upon our life. Father, we declare the angels of the Lord are encamped round about our family and no harm, hurt or danger comes to them because we are covered by the blood of Jesus.

Father, in Jesus' name, thank You that every husband, every wife, every unmarried, every boy and girl embrace the truth of Your Word and commit to change whatever needs to be changed in their life in order to strengthen their family. Thank You Father every husband is a mighty man of valor, and every wife is a virtuous woman. Father, we thank You that every wife is a good thing to her husband and because of her he has obtained favor from You. Father thank You, husbands' dwell with their wives according to knowledge and gives honor to her as unto the weaker vessel.

Thank You Father, that every husband loves their wife as Christ loves the Church. Thank You, Father that every wife is a capable, intelligent, virtuous woman; and the heart of her husband does safely trust her so that he has no need of spoil. Father thank You that every unmarried person commits to live their life for the Kingdom of God and because they are in a blessed unmarried state, they have more time to commit to You and the work of God.

Father thank You; because they are diligent in the things of God You give them the desires of their heart. Thank You Father they choose to keep themselves holy until marriage. Father in Jesus' name, thank You that our children are disciples, taught of the Lord, obedient to Your will; therefore, great is our children's peace and undisturbed composure. Thank You Father Your Word declares our seed shall be mighty upon the earth. Father thank You that our children are a reward from You, and they are happy, healthy and obedient to Your Word. Father, we declare our households are covered by the blood of Jesus and the seed of the righteous is delivered.
